

\$50,000 Relief Fund Certain For Syracuse

Sum Will Be Allocated for Fair Grounds and Forestry College

Marvin Sees Straus New York Conference Develops Other Money Will Be Coming

Assurances that \$50,000 would be allocated for work at the State Fair and at the College of Forestry, Syracuse University, under the State's unemployment relief program were given today by Jesse I. Straus, chairman of Governor Roosevelt's commission, and Harry J. Hopkins, executive director of the \$20,000,000 State fund.

The two State officials received Mayor Rolland B. Marvin, Frank P. Malpass, corporation counsel, and Leon D. Dexter, commissioner of public welfare, of this city, at the offices of the State's "Big Three" in New York City this morning.

The conference served as a means of acquainting the Syracuse officials with the program of the State commission and the provisions of the law creating the commission and setting up the \$20,000,000 fund.

Mayor Marvin over the long distance telephone from New York at noon announced that Mr. Straus stated that \$40,000 would be segregated for work on the State Fair grounds and \$10,000 for operations at the College of Forestry.

"The \$50,000 is to be appropriated from the \$1,000,000 fund set aside for labor on State parks and institutions," Mayor Marvin said.

"It is the intention of the State commission to have the men employed for the work taken from the ranks of the unemployed."

Insofar as the allocation of the \$8,000,000 unemployment relief fund is concerned, we were informed there would be no decision on that until Dec. 1.

"We were informed that Syracuse and the localities generally will be reimbursed to the extent of 40 per cent for money expended in home relief by the Department of Public Welfare between Nov. 1 and June 1, next."

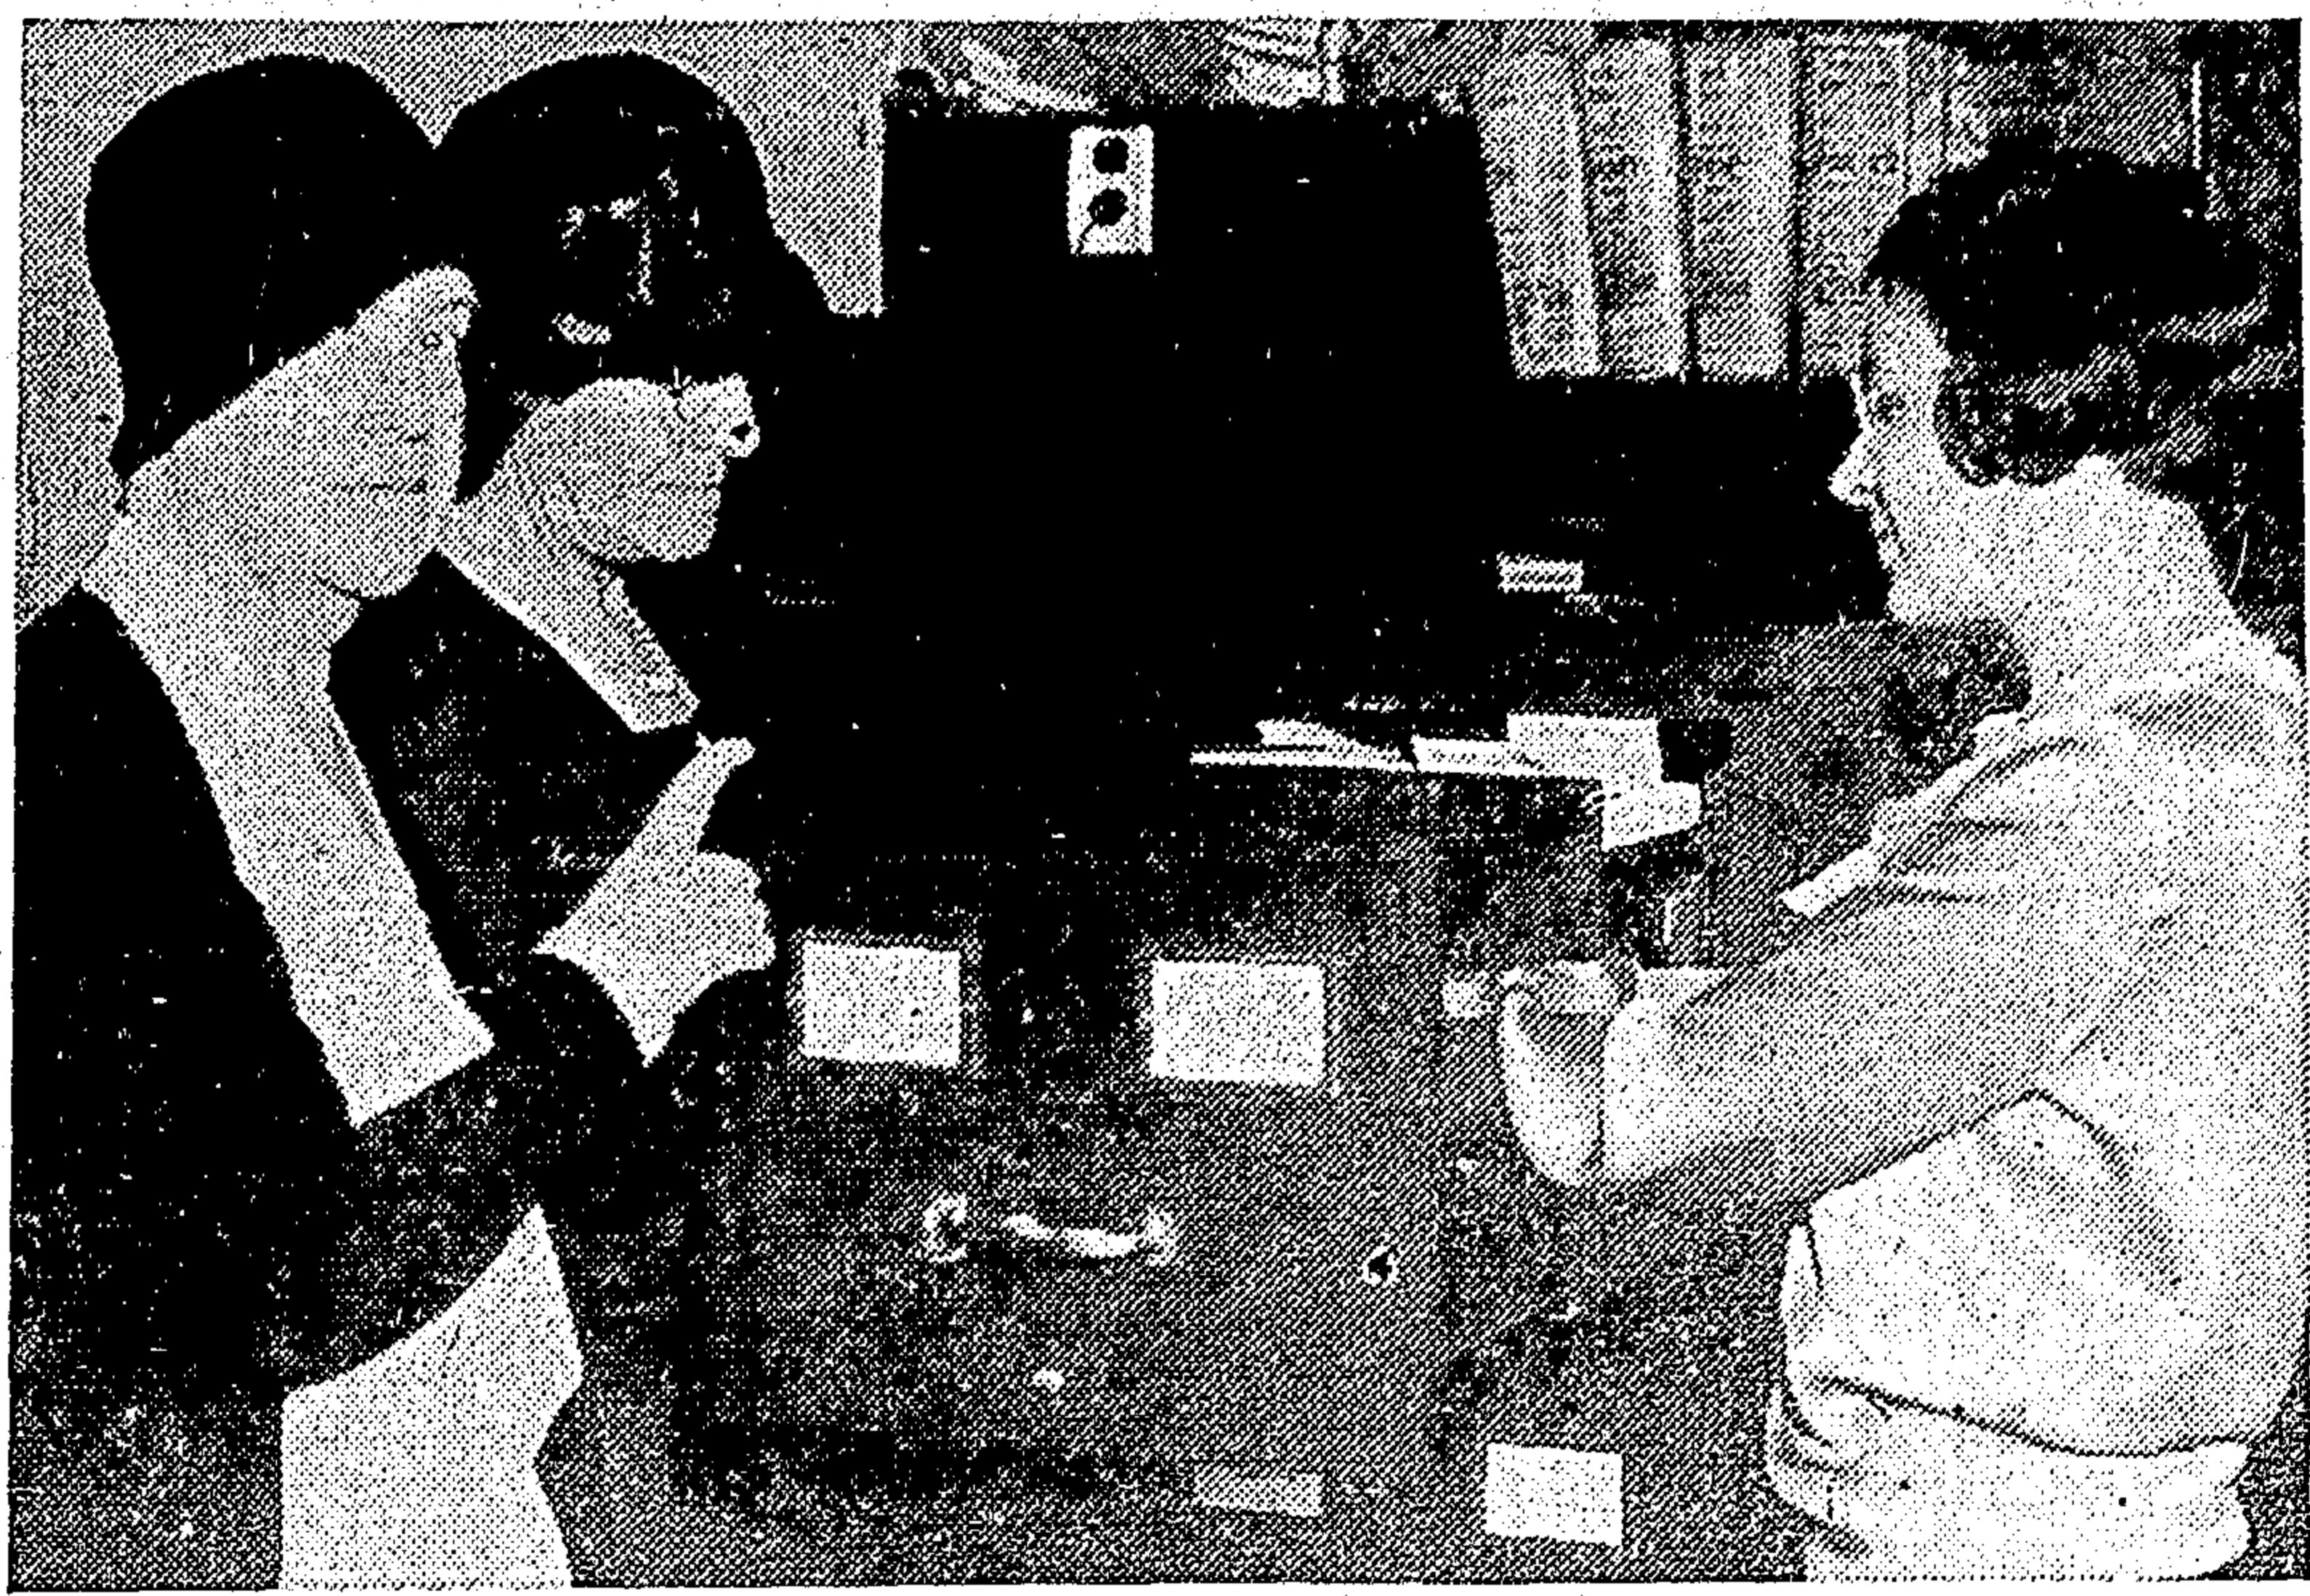

Cases coming under the heading of Veteran Relief or the Old Age Security act are to be excluded from consideration. Further provision is made that the reimbursement shall apply only to cases in which the recipient has been a resident of the city or locality for two years.

"We were informed that the localities can proceed to operate under the emergency legislation next week."

"Before Syracuse and Onondaga County can take advantage of the unemployment relief measures, however, it will be necessary for the county to submit to Mr. Straus and his commission a copy of the resolution in which the county agrees to accept the provisions of the act and appoint a commission to co-operate with the State body."

Mayor Marvin went to New York last night and is expected back in Syracuse early this evening.

Miss Lansing, Sister of Wilson Cabinet Member, Studies City Welfare System

Studying records at the Central Index, are, left to right: Miss Lina Lightbourn, Miss Emma S. Lansing, sister of the late Robert W. Lansing, secretary of state under Woodrow Wilson, and Mrs. Vivian La Voy, executive secretary of the index.

70-Cent Scale Agreed Upon By Painters

15 Accept Compromise for State Work From 1923 to 1930

Painters employed by the State during 1923 to 1930 in construction of the Barge Canal have agreed on a 70 cent an hour scale as the prevailing rate of wage for this section and they will be awarded on this scale.

Claims of 15 painters were being heard by Judge James J. Barrett when counsel announced the painters would agree to the 70 cent scale.

The actions were brought under an act of the Legislature which gave the workers on the canal right to demand the prevailing rate of wages for their work on the canal. The agreement was reached after a conference between Richard B. Smith, counsel to the workers, and Joseph L. Butler and John M. Dooley, deputy attorney general.

The cases of four iron workers who are insisting the prevailing rate was \$1.37 an hour are being heard today by Judge Barrett. The State maintains the rate was 90 cents an hour and some workers have agreed to that price.

Falling Light Bulb Ignites Gas and Oil On Garage Floor

Gasoline and oil on the floor of Kelley Brothers Garage, 106 McClure Avenue, were ignited last night when a lighted electric bulb dropped and burst with a sharp report.

The light bulb fell while a garage employe was cleaning the wheel of a truck with gasoline. As the fire started he backed the truck out of the garage. Firemen of Engine Company 3 were called. They extinguished the flames quickly.

Smoke from a defective oil burner filled the home of R. W. Carter, 195 Hastings Place last night, causing an alarm for firemen of Engine Company 11. Damage was slight, firemen reported.

Decorated in War, She Is Influential in Social Work

Seeking a more efficient and well rounded set-up of the central index of social agencies in Watertown, Miss Lina Lightbourn and Miss Emma S. Lansing of this city inspected the Central Index of the Syracuse Community Chest and Council yesterday.

The Central Index, set up in Syracuse as a service to both public and private welfare and relief agencies, is rated as one of the most efficient of its type in the State.

Methods of avoiding duplication in relief work, procedures in studying cases were studied with Mrs. La Voy by the Watertown women.

Miss Lansing, sister of the late Robert W. Lansing, secretary of state in President Wilson's cabinet, is chairman of the board of the confidential exchange of Watertown. This year the Watertown Community Chest appropriated money for a paid secretary and has asked Miss Lightbourn, executive secretary of the exchange, to study advanced methods.

Miss Lansing is known in Watertown and Northern New York State as one of the most influential lay social workers. She has devoted much of her time since the World War, when she served with the American Red Cross for two years, to welfare organizations in Watertown.

She is first vice president of Watertown's Visiting Nurse Association and chairman of the education committee of the Y.W.C.A.

Aside from her wide activities in this line, she is associate chairman of the Jefferson-Democrat County Committee.

Miss Lansing holds two war decorations for service in front line trenches, the croix de guerre and the Reconnaissance Francaise. She served with the Red Cross in the French Army sector of Epernay for two years from 1917 to 1919.

Pastor Presides At Aunt's Burial

The Rev. Charles Mosley, pastor of St. Columbian Church, Cleveland, O., and nephew of Mrs. Mattie Ainsley, who died Sunday, celebrated a solemn high mass of requiem at her funeral this morning in St. John the Evangelist Church. The funeral took place from the home of Mrs. Ainsley's daughter, Mrs. Louis H. Schilling, 1318 Teal avenue, before the church service. Burial was in St. Agnes cemetery.

Bankers Pick Credit Relief Committee

Merrill, Sanford and Spaulding to Represent County

Representatives of the commercial banks of Onondaga County met late yesterday afternoon and elected three members as the committee to represent the banking institutions in the formation of a district organization to function in Central and Northern New York in connection with the newly formed National Credit Corporation. Those chosen are Albert B. Merrill, president of the First Trust & Deposit Company; C. Hamilton Sanford, president of the Syracuse Trust Company, and William S. Spaulding, president of the Bank of Marcellus.

The committee will meet at 10 o'clock Friday morning with a similar committee from each of the other 10 counties in the district. At this meeting, which will be held in the directors' room of the First Trust & Deposit Company, the district association will be organized.

If the bankers follow the course pursued by bankers in other districts of the State, one of the group will be chosen as the representative through whom all transactions with the National Credit Corporation will be handled.

The National Credit Corporation was formed a few weeks ago at the suggestion of President Hoover. The purpose is to handle paper regarded as good security but not discountable at the Federal Reserve Bank. The various commercial banks of the country will be allowed to purchase debentures of the corporation up to two per cent of their net time and demand deposits.

The bankers of Jefferson County met a few days ago and selected the following bankers to represent them at the meeting here Friday: Bernard A. Gray, president of the Northern New York Trust Company, Watertown; chairman, Thomas C. Lynch, president of the Carthage National Bank, and Robert Grant, president of the First National Exchange Bank, of Clayton.

500 Holiday Postal Jobs In Syracuse

McLusky Will Give Idle First Preference at Christmas

Approximately 500 persons will be given temporary employment at the Syracuse Postoffice during December to handle Christmas mail, Postmaster James McLusky announced today.

Temporary employment of 170,205 workers during the Christmas period has been authorized by Postmaster General Brown at Washington, Mr. McLusky was advised today.

Following the precedent established here last year, Mr. McLusky said preference will be given to heads of families who are in need of employment. The extra help will be employed as clerks and carriers to augment the regular staff.

Mr. McLusky has been in conference with Paul H. Schaefer, Jr., assistant postmaster, and John L. Smith, superintendent of mail relative to plans for handling Christmas mail. Steps already have been taken towards the schedule to be followed during the rush period.

Extra help is taken on, beginning about Dec. 10 and the peak is reached about two or three days before Christmas. The majority of extra employees are released the day following Christmas, a few being retained for about a week to clear up delayed mail matter.

Date for the receipt of applications for temporary work will be announced early next month. Last year nearly three times as many applicants as were needed sought temporary jobs.

In past years it was the custom to employ many high school and college students to work during the vacation period. This practice was dropped last year due to economic conditions and wherever possible competent men and women with families to support and who were out of work were given preference.

Mr. McLusky said today that a campaign for early mailing of Christmas Day mail is being inaugurated next month. Carrier deliveries and window service will be suspended on Christmas Day and in order that all mail reach its destination before Dec. 25, Mr. McLusky will urge that letters and packages be mailed early.

U. S. Plans Jobs for 176,205 at Christmas

Washington, Oct. 28 (AP)—Postmaster General Brown today authorized the temporary employment starting on Dec. 13 of 176,205 workers to handle Christmas mail.

The postoffice department estimated that 17,070 temporary clerks, carriers and laborers would be employed for about 10 days.

In addition to temporary clerks and laborers, the department will employ 3,200 extra railway mail clerks, 1,000 helpers in the motor vehicle service, 600 rural carriers and 325 auxiliary carriers on long routes.

The extra Christmas service will cost the department \$5,132,123. Postmasters have been directed to co-operate with Federal relief agencies, war veterans organization, and local charitable associations in selecting temporary help, but have been warned to exclude those unable to perform arduous work.

Brown also has instructed postmasters to verify statements as to the need of applicants. Wherever possible, he said, competent men and women with families to support who now are out of work will be given preference.

As usual, all carrier deliveries and window service will be suspended on Christmas day. As a consequence, Brown said, every effort should be directed by postmasters to have all Christmas mail mailed, handled, transported and delivered before that day.

Postmasters have been instructed to stress the doctrine of early mailing through every possible means.

5:30 Closing On Saturdays Is Approved

Retail Merchants Division of C. of C. Votes Unanimously

The retail merchants division of the Chamber of Commerce today voted unanimously to close all stores at 5:30 o'clock Saturday nights.

Chairman Charles A. Chappell directed attention to the fact that some downtown stores have been open at least one Saturday night because of week-end anniversary sales and other reasons.

Managers of other stores likewise were prepared to meet such competition and eight had given orders to keep open Saturday nights when the special meeting of merchants was called today.

"We are not going back to the horse car days," Mr. Chappell said, "and that is exactly what Saturday night opening means. Our employees deserve the night off. Furthermore, Saturday night opening will not increase the amount of business if we are all open."

Ernest N. Park was named chairman of a group to enlist the cooperation of all merchants. Others on the committee are Patrick J. Sullivan, Joseph J. Federman, Asher S. Markson, Franklin Brown, Harry K. Feldman, M. A. Common, C. P. Smith, Joseph A. Griffin and Joseph J. Kallet.

Frank W. Traugott Honored at Dinner On 70th Birthday

Frank W. Traugott, former city treasurer and president of the Traugott Company, undertakers, was honored on his 70th birthday at a dinner last night in St. Peter's Lutheran Church.

Mr. Traugott is one of four city treasurers who are members of St. Peter's Church. The others are Jacob D. Stemmer, Frederick C. Sombach and Charles A. Lattner, the present city treasurer.

Speakers at the dinner last night were Mayor Marvin, former Mayor Hanna, Assistant District Attorney, William C. Martin, Mr. Lattner, Edward Schoeneck and Philip K. Heldmann.

Mr. Heldmann presented a hymnal to Mr. Traugott. Charles Young was toastmaster. Dr. Irving Oberlander and Walter Wisnower heard in several vocal solos, and selections were played by a string quartet.

6 Delinquent Girls Freed By Bennett

Inmates of Albion Home Illegally Detained, He Rules

Six girls, committed to the State institution for mentally defective delinquent women at Albion, will be released under a ruling of Attorney General John J. Bennett that the State cannot legally detain a girl sentenced to that institution solely on a plea of guilty.

The six were sentenced in 1930 and 1931 by County Judge William L. Barnum following their pleas of guilty to a charge of being a wayward minor. Judge Barnum recommended their release in a communication forwarded to Dr. Gordon P. Willey, superintendent of the institution.

The attorney general stated a hearing is necessary before a wayward minor can be sentenced to that institution. It was found the six had admitted the charge in court here and their sentences to the Albion school resulted.

The six who will be released are: Lorraine Snyder, 17, of the Town of Mendon, committed on July 9, 1930; Gladys Thompson, 17, of Baldwinsville, committed Feb. 7, Mary Hill, 12, of the Onondaga Reservation, committed June 13; Genevieve Westcott, 16, of the Town of Lyander, committed July 15; and Lorraine DeLand, 15, of the Town of Onondaga, committed Aug. 19.

Miss Mary E. Torney, probation officer of the County Court says that in the future defendants will be given a hearing on charges of being a wayward minor.

Spiritualist Church Will Hear Burns

Raymond Burns, pastor of Plymouth Spiritualist Church, Rochester, will lecture at a special service at 8 o'clock tomorrow night in First Spiritualist Church, 711 South State Street. Mr. Burns comes to the Syracuse church in the first of a series of monthly benefit message services.

The Rev. Lella Williams, pastor of First Church, who attended the National Spiritualists Convention in Kansas City, Mo., last week, will assist Mr. Burns in these special services.

For the Convenience of Our Customers We Have Arranged the Following Service:

From 5:30 to 7:30

A uniformed chauffeur will receive your car in front of Schrafft's and park it for you at the Madison-Warren Garage. You will receive a parking check, which will reclaim your car when you call for it at the garage. You pay only the regular parking charges, but no service charge will be made for the delivery of your car to the garage. If you request to have your car returned to Schrafft's, or any other place in Syracuse, a minimum charge will be made for the return service.

This service, we feel, will enable our friends and patrons to enjoy their visit to Schrafft's with greater freedom and convenience.
